ENTREPRENEURIAL
INVESTMENT
PARTNERSHIP

Entrepreneurial Investment Partnership (EIP) is a private investment partnership with renowned entrepreneurs as its partners. EIP invests globally in selected publicly listed companies with attractive long-term prospects and strong entrepreneurial management teams who have skin in the game and understand capital allocation. Where appropriate, EIP is actively engaged and pursues sustainable value creation and fair value distribution among all stakeholders. We are seeking hungry and sharp individuals to help our business grow.

Visiting Data Scientist / Intern (m/f/d)

Your tasks:

- Support our data efforts
