ENTREPRENEURIAL
INVESTMENT
PARTNERSHIP

Entrepreneurial Investment Partnership (EIP) is a private investment partnership with renowned entrepreneurs as its partners. EIP invests globally in selected publicly listed companies with attractive long-term prospects and strong entrepreneurial management teams who have skin in the game and understand capital allocation. Where appropriate, EIP is actively engaged and pursues sustainable value creation and fair value distribution among all stakeholders. We are seeking hungry and sharp individuals to help our business grow.

Visiting Analyst / Intern (m/f/d)

Your tasks:

- Provide investment research on industries, companies (strategic and financial analysis)
- Research and interpret financial and technical reports, conduct management meetings
- Analyze and distill information into a useable form
